OKAY LORD, WHERE WILL THIS TAKE US?

By - Brad Springer | Camp Administrator

There are a lot of questions at Camp Copass right now, but one thing we do know is that we serve a great and mighty Lord! You and I do not know where the resources will come from to pay all of the bills this winter, but we are trusting that God will provide.

It's exciting and yet scary to follow 2 Corinthians 5:7 as we "Walk by Faith and Not by Sight."

So let's pray and get out of God's way and see his wonder and grace overwhelm us in all we do.

Let's not be idle, yet remember what we are told to do in Psalm 46:10:

"Be still, and know that I am God. I will be exalted among the nations, I will be exalted in the earth!"

10 YEARS!!!

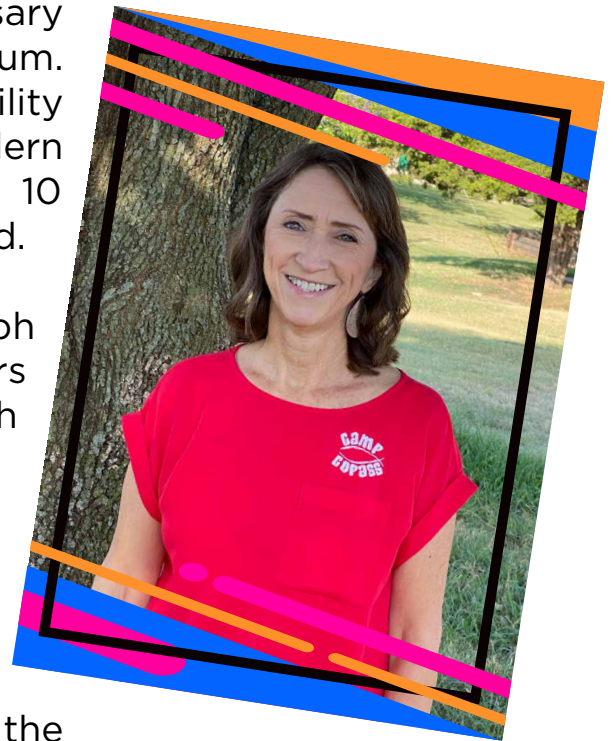

It is said that the 10th Anniversary is marked with time or aluminum. Both materials represent durability and flexibility to sustain! A modern addition to what represents a 10 year anniversary is the Diamond.

When you read the paragraph above about what ten years represents, this pretty much describes our TONI.

She is Flexible - remember she works with groups from all over the world. She makes them feel welcome and loved while here... always flexible to the their cultural needs.

She is Durable - Don't think we need to say much here! Toni has been able to pull things together and create the bond that holds it all in place.

She is a Diamond - TONI is just a true diamond... bright, shiny, strong and beautiful.

Happy Anniversary TONI - sure glad you are our own personal diamond! We are blessed to have you at Camp Copass and we are praying heaps of blessings on your next ten years!

SUMMER 2020

By - Carla Besco | Program Director

Just like everything else this year summer 2020 has been one for the books and quite different from what we normally experience. Just writing the words summer 2020 it gives me a little bit of sadness followed by smiles!

It sure was not what we had planned or hoped for but... as is usual, GOD already knew and had the perfect plan. So glad we do not rely totally on our own plans and actions but on HIS.

We were only able to have 1 week of associational camp with a couple of smaller groups coming out for their own camps. Our Youth camp was absolutely awesome. God knew what we needed that week and it was so evident in

everything that was going on that He was here and in control.

Drew Worsham was our Camp Pastor and he brought amazing messages that ministered to our hearts. We were also blessed to have the band Central Wxsrship join us for the first time. Amazing worship with our youth this year. We had amazing worship with our youth as the moving of the Holy Spirit was very evident.

We sure missed all of you and can not wait to see you next year! The theme for 2020 was "Do Something" so in 2021 we will do something and follow John 3:16.... remembering ONE world... One Message!

ONE WORLD • ONE MESSAGE
ONE
CAMP COPASS 2021

For God so loved the world
that he gave his one and only Son,
that whoever believes in him shall
not perish but have eternal life.
