CAMP COPASS  
2024 SUMMER CAMPS

# WELCOME TO CAMP COPASS

Welcome to Camp Copass– where faith and fun meet! Join us for a memorable summer filled with laughter, friendship, and spiritual growth. Camp Copass offers a unique blend of individual growth and church group bonding. From thrilling night events to inspiring Bible study sessions, every moment is an opportunity to connect with The Lord and forge lifelong friendships. Camp really does create great Christian community.

Children will enjoy interaction with passionate church leaders with strong Christian values. Camp is a place where young hearts can explore, learn, and deepen their relationship with Jesus. Reserve your spot today and get ready to experience the joy of faith and fellowship like never before!

## Steps to the registration process:

1. The church group leader will go to **campcopass.com** to let us know how many total campers including adults they expect to bring and what date they'll be attending camp.
2. Group leaders will receive a link to create an online account through **RegPacks**, the new online registration packet service. Leaders will enter the names of each child and adult attending camp. The leader will have the ability to continually add or remove campers as registration progresses. All paperwork will be completed online.
3. Entering a camper name will trigger an email to be sent to the adult camper or parents of a young camper. The email will include instructions for filling out all paperwork necessary including any activity sign-ups. Every document will be filled out online. This may be done on a computer or a smart phone. There will be no printed paperwork.
4. Deposits are due by May 31, 2024. Church leaders will log into their RegPack account to pay the deposit.
5. The church leader will be able to view the progress of each camper in the online registration process. This will enable them to know when a camper has finished all required documents.
6. Each adult attending camp will also have additional required documents such as background check and child protection training certificate. The church group leader will turn in a pastor reference letter for the group's adult campers. All paperwork will be turned in online. There will be no printed paperwork.
7. On the first day of camp when the group arrives, the church group leader will bring a check for group payment. Credit card payments are available, however, the amount due will increase by 3% when paid by credit card.
8. Camper medications will be turned in upon arrival. They must have a printed "medication dosage and frequency chart" attached and must be in the original container with the camper's name on the container.
9. Dorm assignments will be received after full payment is made at check-in.
