

Mini Camp Leaders,

Thank you for registering for Mini Camp 2019. We are thrilled that your children will be joining us for overnight summer camp fun! Prior to your arrival at summer camp there are a few necessary items we must address. The following forms and information should be downloaded and completed online at www.campcopass.com : **Registration/Health Form, T-shirt Order Form, and the Boy Girl Ratio Form (due May 30th)**. The Registration/Health Forms should be completed and retained at the camp by your designated church leader. The camp will require a letter from each church's pastor stating that you have performed criminal/sex offender background checks on your camp counselors. I hope that you have all registered on-line!! If you have any questions please contact Carla at the camp office.

Please note there will be a quick Leadership Meeting on Friday during the Worship Pep Rally. The meeting will be announced during the Pep Rally and we will ask that at least ONE representative from each church join us in the Dining Hall. This is a time for the Mini Camp Leadership Team to share important information with you about the weekend's activities and how YOU can HELP!

Are you ready for a fun filled Carnival? Friday evening will be a crazy time of wet and wild fun including inflatables, popcorn, sno-cones, face painting, crazy hairdos, a LIVE DJ and more! Counselors might want to consider bringing a large bag to help the campers keep their belongings together.

The Mini Camp Leadership Team would like to suggest that you consider bringing a sack lunch for your children that they may eat on the camp grounds during registration – it can be a long time between lunch and dinner for little ones. We would also like to remind the children to bring a little spending money to be used at the snack shack or camp gift shop.

Again, we thank you for choosing Camp Copass. We're excited about all the Lord's going to do this summer! Let us know if you have any additional questions.

Blessings,
Carla Besco
